Tomorrow is Ours to Save

Preparation for Smooth Transition Raising Confident & Resilient Students

1. Help students learn from failure
2. When the going gets tough, the tough gets going – Support from school & family
3. 'I am because we are'
(Be motivated, resilient & continue to dream)

Preparation for Smooth Transition Raising Confident & Resilient Students

1. Set daily routines (e.g. doing homework and revision, reading)
2. Role-model – values like resilience and respect, graciousness, gratitude
3. Use praise effectively
4. Work in close partnership

School-Home Partnership towards the next 6 years

Parent Support Group (PSG)

- great opportunity for parents to be closer to children
- understand them better,
- help them in their education journey.

School-Home Partnership towards the next 6 years

**Research shows children benefit when parents are more active
in their school environment**

They tend to:

- show more positive attitudes
- have better school outcomes
- complete homework more consistently
- better able to bridge the cultural gap between school and home
- are less prone to behavioural issues

School-Home Partnership towards the next 6 years
